Charging the Battery

Remove the battery from inside the Zen fire pit. Connect the battery 2-pin connector to the AC adapter. Connect the AC adapter to your wall source.

AC Input

12v 10000ma Battery

Battery is fully charged when the LED red light turns green on AC adapter.

LED Battery Connection

Connect the battery 2-pin connection to the LED receiver cable. Note the LED lights will turn on. Use the remote to select a solid color or preprogrammed mode.

2.4G Receiver

12v 10000ma Battery

2-Pin Water Proof Connector

Secure the battery and the charger connector ensuring the groove pattern matches before fully tightening.
